AN ORDINANCE APPROVING AND ADOPTING THE FISCAL YEAR 2027 COMPENSATION PLAN FOR OFFICERS AND EMPLOYEES OF THE CITY, INCLUDING ITS TABLES AND REGULATIONS, AND APPROVING CRITERIA AND PROCEDURES FOR COMPENSATION SUPPLEMENTS FOR CERTAIN CONSTITUTIONAL AND COMMONWEALTH OFFICERS AND THEIR EMPLOYEES.

- - -

BE IT ORDAINED by the Council of the City of Norfolk:

Section 1:- **City Compensation Plan.** That the City of Norfolk (City) Compensation Plan, including this ordinance and its incorporated exhibits, hereby establishes salaries and other compensation for employees of the City. Non-City employees are included solely for the purpose of supplementing their salaries and, in some cases, other compensation provided by the Commonwealth of Virginia (Commonwealth). The non-City employees included in the City's Compensation Plan consist of the employees of the five Commonwealth Constitutional Officers for Norfolk (Commonwealth Attorney, Sheriff, Treasurer, Commission of the Revenue, and the Clerk of the Circuit Court) and certain employees within the following other Commonwealth offices for Norfolk: the Office of the Director of Elections, the Office of the Magistrates, and the Office of the Public Defenders.

Until otherwise changed by the City Council, the pay ranges of the various officers and employees of the City and non-City employees as set forth in this Ordinance and the regulations, tables, appendices and other exhibits attached to it, all of which are incorporated by reference, for the administration of this Compensation Plan are hereby approved, and said Compensation Plan is hereby adopted. This Compensation Plan can only be amended, revised or otherwise changed by the City Council, and no officer or employee is authorized to make any such alteration. This Compensation Plan supersedes and replaces the fiscal year 2026 Compensation Plan approved and adopted by Ordinance No. 50,039, enacted June 24, 2025, effective July 1, 2025, and all amendments to said prior Plan.

Section 2:- **Salary Increases.** That the following pay increases are hereby approved:

(A) Effective July 1, 2026, the Sheriff Sworn Pay Plan (SHS), found within Exhibit 5, is approved. Each step within the new SHS Plan is increased by one percent (1.0%) above what it was in the previously effective Compensation Plan, providing each of the non-City employees whose position titles are within the SHS Plan with a one percent (1%) salary increase.

(B) Effective July 1, 2026, certain classifications held by City employees will shift pay grades. Each employee with a salary below the minimum pay of the new pay grade will receive a salary increase effective July 1, 2026, to the minimum of the new pay grade. Such increases shall be in addition to any other increase provided for in this Ordinance.

(C) Effective July 1, 2026, every employee hired prior to May 1, 2026, who meets at least one of the following criteria, will receive a two and a half percent (2.5%) general wage increase (GWI):

(1) A Non-City employee in a position assigned to an open range (meaning a range with a minimum, midpoint, and maximum salary but no steps), in the Office of the Clerk of the Circuit Court (CCC) (Exhibit 7), the Office of the Commissioner of the Revenue (COR) (Exhibit 7), the Office of the Commonwealth's Attorney (CWA) (Exhibit 7), or the Officer of the Treasurer (TRO) (Exhibit 7).

(2) A City or non-City employee whose position title is within either the Executive (EXE) Plan (Exhibit 4), or within the Flexible (FLX) Plan (Exhibit 4).

(3) A City or non-City employee in a red-circled position regardless of plan or exhibit. The term "red circled position" is defined in Exhibit 1 (Regulations) at Section 5 (Definitions).

(4) A City or Non-City employee whose position title has an unassigned grade (UNG) attached. A UNG grade is one with no minimum or maximum.

(D) Effective October 3, 2026, every City and non-City employee hired prior to May 1, 2026, if they meet criteria established in the Regulations (Exhibit 1) at Section 6 concerning annual increments (where applicable), whose position title is within one of the offices with one of the step ranges set forth in Exhibit 5 (Public Safety Pay Plans), other than any employee whose position falls within the Public Safety Telecommunicator Plan (TEL) of Exhibit 5, will receive a single step increase equal to three percent (3.0%).

(E) Effective October 3, 2026, if they meet criteria established in the Regulations (Exhibit 1) at Section 6 concerning annual increments (where applicable), every City and non-City employee hired prior to May 1, 2026, whose position title is within the Public Safety Telecommunicator Plan (TEL) of Exhibit 5 (Public Safety Pay Plans) will receive a single step increase equal to three and one half percent (3.5%).

(F) Effective October 3, 2026, every City employee with the position title of Master Police Officer (MPO) who has more than fifteen (15) years of service with the Norfolk Police Department as of May 1, 2026, will receive a step increase of three percent (3.0%) in addition to any other increase provided for in this Ordinance.

(G) Effective January 9, 2027, every City and non-City employee hired prior to May 1, 2026, if they meet criteria established in the Regulations (Exhibit 1) at Section 6 concerning annual increments (where applicable), whose position title is within one of the following offices and plans with step plans attached to them shall receive a single-step increase of three and one half percent (3.5%): the Administrative Plan (ADM)(Exhibit 4), the General Plan (GEN) (Exhibit 4), the Specialized Plan (SPE) (Exhibit 4), the Trades Plan (TRA), the Commissioner of the Revenue Plan (COR) (Exhibit 7), the Sheriff Civilian Plan (SHC) (Exhibit 7), and the Treasurer Plan (TRO) (Exhibit 7).

(H) Effective January 9, 2027, every City employee whose position title is within the Law Department (LD) (Exhibit Plan (Exhibit 6) hired prior to May 1, 2026, is eligible to receive a general wage increase. The sum of such increases shall not exceed the total aggregated amount equivalent to increasing the salary of every position title in the Law

Department a two and a half percent (2.5%) increase up to the limit of the maximum salary of the applicable pay grade, as further detailed below in this Ordinance.

(I) Exceeding maximum salaries, in limited circumstances.

(1) Notwithstanding anything to the contrary in this Ordinance, including in any exhibit, every otherwise eligible City employee and every eligible non-City employee whose salary the City supplements may receive the entire general wage increases provided for in this Ordinance regardless of the maximum salaries shown in the pay ranges or steps assigned to their position titles in this Ordinance, including all exhibits.

(2) The express authorization set forth above to exceed a maximum salary only applies for the purpose of allowing each increase that is necessary to award the full general wage increase authorized herein, and the city manager is hereby authorized to take such action, without seeking the City Council's authorization or amendment of this Ordinance, to take such action as may be necessary for said singular purpose. In any other circumstances, a wage increase that would cause the salary of an employee covered by this ordinance and its incorporated exhibits to exceed the maximum for that position title set by the Council must be approved by ordinance.

Section 3:- **Living Wage**. That every full-time City employee is guaranteed a minimum, living wage of not less than nineteen dollars and sixty cents ($19.60) per hour, based on their scheduled hours. The City Manager is authorized to make further adjustments to any City employee's salary that is necessary to comply with this living wage mandate, up to the limit of the maximum salary of the pay grade or step the City Council has assigned to the employee's position title.

Section 4:- **Council and Mayor**.

(A) That, pursuant to Section 8 of the Charter of the City of Norfolk and Section 15.2-1414.6 of the Code of Virginia, 1950, both as amended, and until otherwise changed by the Council, the annual salaries of the Mayor and members of City Council are hereby approved and adopted as: $27,000 annually for the Mayor and $25,000 annually for all other members of the City Council.

(B) That the Mayor shall have the authority to award bonuses annually for good cause shown to the following City employees who are directly appointed by the City Council pursuant to Sections 10.1, 11 or 11(b) of the Charter, as amended: the City Manager, the City Attorney, the City Assessor, the City Clerk, the City Auditor, and the High Constable (should the City ever return to appointing a High Constable and employees thereof), and the City Architect (should the City ever appoint one).

(C) This Ordinance and its incorporated exhibits, as they pertain to the City Council, the Mayor, or appointees of the City Council, shall supersede and replace the fiscal year 2026 Compensation Plan, approved and adopted by Ordinance No. 50,039, enacted June 24, 2025, and effective July 1, 2025.

Section 5: - **Commonwealth Constitutional and Commonwealth Officers and Employees – Pay Grades, Ranges, and Steps.** That, until otherwise changed by the City Council, the pay grades, ranges, or steps of various Commonwealth, Constitutional and other Commonwealth officers and their employees, as set forth in this ordinance and its incorporated exhibits, are hereby approved and adopted. This ordinance and its incorporated exhibits, as they pertain to said officers and employees, shall supersede and replace the fiscal year 2026 Compensation Plan Ordinance of the City of Norfolk, approved and adopted by Ordinance No. 50,039, enacted June 24, 2025, and effective July 1, 2025.

Section 6:- **Commonwealth Constitutional and Commonwealth Officers and Employees – Change of Provisions.** That, with regard to all Commonwealth Constitutional officers, Commonwealth Officers, and non-City employees of such officers, the City Council shall have the right at any time to change any additional compensation provided to them by the City, including but not limited additional compensation provided for in the pay grades, ranges, steps, rates of pay, regulations, and supplements set forth in this ordinance and its incorporated exhibits, except to the extent that certain minimum Commonwealth salaries for these Commonwealth employees may be set by the Compensation Board of the Commonwealth of Virginia or by Virginia general or special law.

Section 7:- **Commonwealth Constitutional and Commonwealth Officers and Employees – not City officers or Employees.** That, notwithstanding the provisions of any ordinance, regulation or action by the City Council, City Manager or the Civil Service Commission of the City of Norfolk to the contrary, codified or otherwise, the officers and employees of the various Commonwealth Constitutional and other Commonwealth offices whose compensation the City supplements or funds to some degree, regardless of whether the City supplement or funding constitutes 100% of their compensation and regardless of whether their date of hire is prior or subsequent to the date of the adoption of this ordinance, shall not be officers and employees of the City or eligible for any of the various rights that inure to the status of City employment, whether classified or exempt from the classified service, unless such rights are specifically authorized by the City Council by ordinance or by contract, pursuant to specific authority under Virginia general law. Unless their position is created and authorized by the City Council of the City of Norfolk or in some cases, the City Manager and the City Attorney, and such creation is implemented in accordance with the Charter provisions, ordinances, rules, and regulations governing employment with the City, such individuals working within such offices are not and shall not be deemed officers and employees of the City of Norfolk, but instead are and shall be deemed at will employees of the various Commonwealth Constitutional and other Commonwealth officers and offices, and they shall not, among other things, have any rights to utilize the City of Norfolk's Employee Grievance Procedure. All attorneys licensed to practice law in Virginia or elsewhere who are either in the employment of the City or receiving salaries funded entirely by the City but employed or immediately supervised by a Commonwealth Constitutional Officer shall be under the ultimate direction and control of the City Attorney and shall serve at their will. In the case of non-City employees whose attorney positions are entirely funded by the City, they shall receive their City-funded salaries at the will of the City Attorney, regardless of their actual employer.

Section 8:- **Special Fiscal Measures**. That, in situations where the City Council reduces its appropriations to fund the salaries and benefits of the workforce (for example, due to severe and on-going economic downturn), the City Manager may initiate a reduction in force. A reduction in force may be justified for various reasons or combinations of reasons, including but not limited to: an economic downturn; the reorganization for efficiency of some department, division, or bureau of the City; or the elimination or revision of unnecessary or moribund classifications or positions. In addition, the salaries of all officers and employees, both City employees and non-City employees, covered by this ordinance or any of its incorporated exhibits may be adjusted. However, those individuals, if any, whose positions are fully funded by the Commonwealth shall continue to receive the minimum compensation required by Virginia general or special law.

Section 9:- **Council Appointees.** That those City Council Appointees listed in Sections 10.1, 11, or 11 (b) of the Norfolk City Charter, other than the City Manager, the City Attorney, and all officers and employees within their offices, are subject to the provisions of this Section, notwithstanding anything to the contrary elsewhere in this Ordinance or its incorporated exhibits. This applies regardless of whether an employee's position would be a classified position (a position within a classification created by the Civil Service Commission or the Director of Human Resources pursuant to the Commission's delegation) if it were within another Department of the City. Pursuant to Section 114 of the Charter, Chapter 2.1 of the City Code, and Section 15.2-1131 of the Code of Virginia, all as amended, all officers and employees working within those offices, which are the City Clerk, the City Assessor, the City Auditor, the High Constable (should the City ever return to appointing a High Constable and employees thereof) and the City Architect (should the City ever appoint a City Architect), are exempt from the classified service and serve at the will of their respective Council Appointee. Decisions regarding any aspect of the compensation of the officers and employees of these offices shall be made by the Council Appointees heading those offices, except the total limit on compensation shall be subject to the limits on the funding of their offices as established in the Budget ordinances for the fiscal year governed by this ordinance and its incorporated exhibits. The Council Appointee's discretion to make compensation decisions are restricted by all other general or special laws, including but not limited to, the Norfolk City Charter, the Norfolk City Code, and all applicable statutes and regulations of the Commonwealth of Virginia and the United States.

(A) Demotions. If a Council Appointee demotes a member of their staff due to inadequate performance or for disciplinary reasons, the Council Appointee may reduce that employee's salary to any specific dollar amount within the pay range attached to the position title to which the employee is demoted.

(B) Administrative Leave. Each Council Appointee is authorized to grant a period of leave with pay not exceeding a total of ten (10) work days to any employee within their office. Such leave may be granted in any increments so long as the total granted to any employee does not exceed ten (10) work days over the life of this ordinance. The authorization of such leave for a new appointee shall be

for facilitating recruitment and transition. The authorization of such leave for an existing appointee shall be based on the appointee's past year's work and performance. This leave must be taken within one year of being granted. Unused leave of this type shall not be paid out upon termination.

(C) New Employees. Each Council Appointee may authorize the employment of a new member of the office at any salary within the pay range assigned to the title. However, employment of any new employee at a salary exceeding the minimum limit of the pay range shall be based on objective criteria.

(D) Bonuses. Each Council Appointee is authorized to recommend and approve bonuses for any member of their office for good cause shown, including for example, exceptionally meritorious service. The total amount of all bonuses for any one member is limited to the larger of ten percent (10%) of the member's salary at the time the earliest bonus is requested or Ten Thousand Dollars ($10,000.00). Bonuses are not includable in an employee's base wages or retirement calculation.

(E) Administrative Pay Adjustments. Each Council Appointee may authorize one administrative pay adjustment per fiscal year for each member of their office for meritorious service demonstrated.

(F) Reductions in Compensation. In addition to demotions, each Council Appointee may reduce the compensation of any member of their office who fails to perform satisfactory work. At any time during the effective duration of this Ordinance, the Council Appointee may reevaluate the compensation of any member whose rate of compensation has been reduced pursuant to this subsection. If, upon reevaluation, the Council Appointee finds that the member's work has improved, the Council Appointee may approve an upward adjustment of that member's rate of compensation, subject to the limitations otherwise set forth in this Ordinance.

(G) Promotions. When a member of any Council Appointee office is promoted, the Council Appointee may increase that person's compensation to any specific dollar amount within the pay range assigned to the position title to which the promotion is made, subject to the limitations otherwise set forth in this Ordinance.

Section 10:- **Department of Law.** That the City Attorney, a Council appointee, is the head of the City's Department of Law. For all purposes under this Ordinance, every Employee holding a position within the Department of Law is a member of the Law Department. Every member other than the City Attorney serves under the sole authority and supervision and at the will of the City Attorney, pursuant to Section 114 of the City Charter, Chapter 2.1 of the City Code, and Section 15.2-1131 of the Code of Virginia, all as amended. This applies regardless of whether the member's position would be a classified position (a position within a classification created by the Civil Service Commission or the Director of Human Resources pursuant to the Commission's delegation) if it were within another Department of the City. All personnel decisions

concerning members of the Law Department are at the discretion of the City Attorney. The incorporated exhibit titled “Regulations” does not apply to the members of the Law Department except for those provisions that expressly state that they apply to the City Attorney. The only limits upon the discretion of the City Attorney in fixing compensation for the members of the Department of Law shall be those established in any budget ordinance or amendment to a budget ordinance that applies during the effective duration of this Ordinance and its incorporated exhibits. Notwithstanding anything to the contrary elsewhere within this Ordinance or its incorporated exhibits, the following rules apply to the Department of Law and its members.

(A) Demotions. When the City Attorney demotes a member of the Law Department due to inadequate performance or for disciplinary reasons, the City Attorney may reduce that employee’s salary to any specific dollar amount within the pay range attached to the position title to which the employee is demoted.

(B) Administrative Leave. The City Attorney is authorized to grant a period of leave with pay not exceeding a total of ten (10) workdays to any employee within their office. Such leave may be granted in any increments so long as the total granted to any employee does not exceed ten (10) work days over the life of this ordinance. The authorization of such leave for a new appointee shall be for facilitating recruitment and transition. The authorization of such leave for an existing appointee shall be based on the appointee’s past year’s work and performance. This leave must be taken within one year of being granted. Unused leave of this type shall not be paid out upon termination.

(C) New Appointees. The City Attorney may authorize the employment of a new member of the Law at any salary within the pay range assigned to the title. However, employment of a new member at a salary exceeding the minimum limit of the pay range shall be based on objective criteria.

(D) Overtime Eligibility. Members of the Law Department who are city attorneys are exempt from the overtime provisions of the Fair Labor Standards Act and shall not be eligible for monetary overtime compensation or compensatory time off for hours worked beyond the normal workweek. Members of the Law Department who are not city attorneys are governed by the overtime provisions of the regulations for the administration of the General Compensation Plan and the Fair Labor Standards Act. All decisions authorizing overtime for members of the Law Department who are non-exempt under the Fair Labor Standards Act shall be made by the City Attorney.

(E) General Wage Increase.

(1) The City Council has appropriated funds for a general wage increase of two and a half percent (2.5%) effective January 9, 2027 for all members of the Law Department. Every member is eligible for an increase in salary effective January 9, 2027, according to the following rules. The City Attorney may review each member’s salary for the purpose of making a compensation adjustment based on consideration of factors such as

performance, market conditions, and total increases authorized by the City Council for all other employees under this ordinance and its incorporated exhibits. No member is guaranteed a general wage increase. No percentage increase shall exceed the maximum rate of that member's pay range. The total amount of general wage increases under this subsection shall not exceed the equivalent of the cost to give each of the members a two and a half percent (2.5%) increase. Whether to give an increase and the amount of any individual member's increase are at the discretion of the City Attorney. In addition to any compensation awarded to the City Attorney elsewhere within this ordinance or its incorporated exhibits, the City Attorney shall also be provided, if requested, the use of a cell phone, an iPad, and similar electronic devices.

(2) At the discretion of the City Attorney, members of the Law Department may receive the general wage increase provided for by this Ordinance, including all attachments, regardless of the maximum salary assigned to their title by the City Council. This authority of the City Attorney to exceed the maximum salaries established by the City Council is limited in any individual case to an amount necessary to award the full general wage increase authorized by the City Council to a particular member of the Department of Law. But for this exception, any wage increase that would cause the salary of a member of the Department of Law to exceed the maximum for that member's title as set by City Council must be approved by the City Council by ordinance.

(F) Bonuses. The City Attorney is authorized to recommend and approve bonuses for good cause shown, including but not limited to, exceptionally meritorious service by any member of the Department of Law. The total amount of all bonuses for any one member shall be limited to the larger of ten percent (10%) of the member's salary at the time the earliest bonus is requested or Ten Thousand Dollars ($10,000.00). Bonuses are not includable in an employee's base wages or retirement calculation.

(G) Administrative Pay Adjustments. The City Attorney may authorize one administrative pay adjustment per fiscal year for each member for meritorious service demonstrated as an ongoing and continual basis. An administrative pay adjustment is an amount above any general wage increase.

(H) Reductions of Compensation. In addition to demotions, the City Attorney may reduce the compensation of any member of the Law Department who fails to perform satisfactory work. At any time during the effective duration of this ordinance and its incorporated exhibits, the City Attorney may reevaluate the compensation of any member whose rate of compensation has been reduced pursuant to this subsection. If upon reevaluation the City Attorney finds that the member's work has improved, the City Attorney may approve an upward adjustment of that member's rate of compensation, subject to the limitations otherwise set forth in this Ordinance.

(I) Promotions. When a member of the Department of Law is promoted, the City Attorney may increase the member's compensation to any specific dollar amount within the pay range assigned to the position title to which the promotion is made, subject to the limitations otherwise set forth in this Ordinance.

(J) Annual Leave, Leave Carryover and Leave Payout. Section 2-49 of the Norfolk City Code, 1979, as amended, governs annual leave and its carryover for all members of the Department of Law. Any remaining accrued leave due to a member of the Law Department who has left City service will be paid in the pay period following their last actual work day.

Section 11:- **Constitutional Officers, their Officers and Employees**. That the following provisions related to Constitutional Offices and their various officers and employees are hereby established:

(A) Authority. Virginia law requires local governments to pay a portion of the salaries of Virginia's Constitutional Officers and their employees. Those salaries are set by the Compensation Board of the Commonwealth of Virginia and, in some cases, by the General Assembly and Governor in the Commonwealth's general appropriation act. In addition, local governments are authorized to supplement the compensation of the officers and employees of these Offices by various Virginia statutes, including Section 15.2-1605.1 of the Code of Virginia, 1950, as amended. Pursuant to said statutes, the Council chooses to supplement the compensation of the officers and employees of the Constitutional Offices associated with the City of Norfolk. These additional supplements are paid for entirely by City funds.

(B) Salaries. The salary supplements provided by the City are intended to adequately fund these non-City positions, bringing their total salaries (Commonwealth-set salaries plus City supplements) to a level comparable to analogous City positions. The appropriate City salary supplements for these positions are determined by the City at the start of each fiscal year considering their Commonwealth-set salaries. Virginia law prohibits the salaries of these officers and employees from being less than that set by the Compensation Board of the Commonwealth of Virginia or by provisions in the Commonwealth's general appropriation act. If the Commonwealth-set salary for any position within these offices is increased during the fiscal year, the Constitutional Officer shall timely notify the Director of the City's Department of Human Resources of the increase. The City shall then decrease the City salary supplement in proportion to the Commonwealth's increase, unless prohibited from doing so by Virginia general or special law.

(C) Bonuses. In addition to the salary supplements provided above, the Constitutional Officers are authorized to award bonuses to their officers and employees using City funds appropriated to supplement their compensation for that fiscal year, subject to the following conditions:

(1) Each bonus shall be awarded for good cause shown, including exceptionally meritorious service, and shall be limited to the larger of ten percent (10%) of the employee's salary (Commonwealth-set salary plus City supplement) at the time the bonus is requested or ten thousand dollars ($10,000).

(2) The total of all bonuses awarded to all employees in the office of each Constitutional Officer shall not exceed the total amount of unexpended City funds appropriated to pay (a) the salaries of City positions approved for the office but which remain unfilled at the end of the fiscal year, plus (b) the salary supplements for Commonwealth-approved positions that remain unfilled at the end of the fiscal year.

(3) Only one bonus per employee is permitted, and every bonus must be requested no earlier than May 1st of the fiscal year in which it is to be awarded.

(D) General.

(1) Any compensation paid in accordance with this ordinance to an officer or employee of a Commonwealth Constitutional Officer that exceeds the salary fixed by the Commonwealth shall constitute a local supplement, to be payable entirely from the funds of the City that have been appropriated for such purpose in the annual appropriations ordinance for applicable fiscal year.

(2) The number of individual positions within any Commonwealth Constitutional Office shall not be increased beyond the total number of positions established as of the effective date of this ordinance without the permission of the City Manager and, if required by law, an amendment to the annual appropriations ordinance.

(3) The supplemental compensation for officers and employees of the Commonwealth Constitutional Officers provided in this Ordinance does not and shall not be construed to alter the status of such persons as officers and employees of the Commonwealth Constitutional Officers, and not of the City of Norfolk. Any references to or applications of the City's Compensation Plan or other City ordinances are solely for the purpose of administrative convenience in computing and authorizing the amount of supplements to be paid to such persons.

(4) The payment of any supplements to a particular Commonwealth Constitutional Officer or their officers and employees shall be conditioned on the full cooperation of that Officer with the City Manager and the Director of Human Resources in providing all information necessary to include that Officer and their employees in the City's systems for calculating the pay and benefits of persons within that Office whose pay and benefits flow through the City's human resources and financial systems, including PeopleSoft. In addition, these supplements may be reduced or

eliminated at any time so long as the salaries of the Commonwealth Constitutional Officers and their officers and employees remain equal to or greater than those established by the general laws of the Commonwealth of Virginia and the Commonwealth Compensation Board.

(5) The compensation of every officer or employee of the City who is assigned to the supervision of a Constitutional Officers pursuant to Section 114 of the Norfolk City Charter, if any, shall be governed solely by this Compensation Plan and the relevant provisions of the Norfolk City Charter and Norfolk City Code, as amended.

Section 12:**- Director of Elections.** That every officer or employee of the Director of Elections shall be placed within the pay ranges provided in the incorporated exhibits to this ordinance where appropriate to their pay rates, and any addition to their salaries beyond the amounts established by the Commonwealth shall constitute a City supplement.

(A) The salary of the Director of Elections shall be increased by two and a half percent (2.5%) effective July 1, 2026. Salaries of officers and employees of the Director of Elections shall be increased by two and a half percent (2.5%) effective July 1, 2026. Only officers and employees hired prior to May 1, 2026 are eligible for the increase. Nothing contained within this ordinance and its incorporated exhibits shall alter the employment status of the Director of Elections and her officers and employees, and their inclusion herein is solely for administrative convenience. The daily compensation for Election Officers assigned to work at voting precincts shall be as follows: Chief Officer, three hundred dollars ($300) (to include training and delivery of election materials); Assistant Chief, two hundred fifty dollars ($250) (to include training); Pollbook Officer, two hundred twenty-five dollars ($225) (to include training); Officer of Election, two hundred dollars ($200) (to include training); Election Page, one hundred fifty dollars ($150) for a full day or seventy-five ($75) for a half day. If the Assistant Chief is required to fill in for Chief Officer, they shall be compensated at the Chief Officer rate.

(B) That as with all the other salary supplements the City authorizes for non-City employees, these officers and employees remain non-City employees, and if their underlying salaries established by the Commonwealth are increased during the fiscal year, the City Manager shall reduce the City supplements proportionally.

Section 13:- **Magistrates**. Whereas, Section 19.2-46.1 of the Code of Virginia, as amended, authorizes the governing bodies of counties and cities to supplement the compensation of magistrates so long as the total amount, Commonwealth salary plus City supplement, does not exceed fifty percent (50%) of the amount paid by the Commonwealth to any magistrate, and

Whereas, the Council considers it to be in the interests of the City that the compensation of magistrates be supplemented; now therefore, the Council ordains as follows:

(A) That the City shall supplement the fixed compensation paid by the Commonwealth of Virginia to the magistrates appointed to serve in the City of Norfolk in

the amounts indicated below, the funds for such supplements having been heretofore appropriated in the annual appropriations ordinance of the City for fiscal year 2027. As provided in Section 19.2-46.1, referenced above, the governing body of any county or city may add to the fixed compensation of magistrates such amount as the governing body may appropriate with the total amount not to exceed fifty percent (50%) of the amount paid by the Commonwealth to magistrates, provided such additional compensation was in effect on June 30, 2008 for such magistrates and any magistrate receiving such additional compensation continues in office without a break in service. However, the total amount of additional compensation may not be increased after June 30, 2008. No additional amount paid by a local governing body shall be chargeable to the Executive Secretary of the Supreme Court, nor shall it remove or supersede any authority, control or supervision of the Executive Secretary or Committee on District Courts.

(B) That the City shall supplement the fixed compensation of each of the magistrates employed on or before June 30, 2008 by adding thereto a sum equal to ten percent (10%) of their fixed compensation, to be paid in quarterly installments.

(C) That the purpose of this ordinance is solely to supplement the compensation of the magistrates with funds of the City, up to the limit set by and as authorized by Section 19.2-46.1 of the Code of Virginia, as amended, and nothing contained herein shall alter the status of such persons as officers or employees of the Commonwealth and not of the City of Norfolk. The City Manager shall reduce these supplements proportionally should the Commonwealth increase these salaries just as the supplements to the salaries of the Constitutional Officers' employees are reduced.

Section 14:- **Public Defenders**. Whereas, Section 19.2-163.01:1 of the Code of Virginia, 1979, as amended, authorizes the governing bodies of any county or city to supplement the compensation of the public defender or any of the public defender's deputies or employees above the compensation fixed by Executive Director of the Virginia Indigent Defense Commission, in such amounts as it may deem expedient so long as such supplements are paid wholly from the funds of such county or city and meet other statutory requirements, and

Whereas the Council considers it to be in the interests of the City that the compensation of the public defender, or the public defender's deputies or employees be supplemented; now therefore, the Council ordains as follows:

(A) That the City shall supplement the fixed compensation of the public defender, or the public defender's deputies or employees as fixed by the Executive Director of the Virginia Indigent Defense Commission to be effective on or after July 1, 2026, with this additional sum, paid wholly from funds of the City, of ten thousand dollars ($10,000) to the public defender and the public defender's deputies (or other licensed attorneys the public defender may employ) and five thousand dollars ($5,000) to any of the public defender's employees who are not licensed attorneys, said supplements to be paid in quarterly installments;

(B) That due to the privileged and protected nature of the attorney-client relations and the statutory scope of representation as provided in sections 19.2-157 and

19.2-163.3 of the Code of Virginia, 1950, as amended, the City shall not place any condition or requirement upon the receipt of such funds beyond those expressed elsewhere in this ordinance concerning the status of such officers and employees whose salaries are supplemented by the City as not being City employees and concerning the reduction of supplements if the Commonwealth increases the base salaries of any supplemented positions during the City's fiscal year; and

(C) That funds provided by the City under this section shall be paid directly to the employees. However, the City shall report to the Virginia Indigent Defense Commission of the amounts of any supplements so provided.

REGULATIONS FOR THE ADMINISTRATION OF THE FY 2027 COMPENSATION PLAN

These Regulations of the FY2027 Compensation Plan are effective as written until Council's approval of a new Compensation Plan with new Regulations or Council's approval over the course of the 2027 fiscal year of amendments to these Regulations.

Section 1. Authority and Discretion

(1) In general, absent a promotion, a City or Non-City employee in a red circled position may only receive an increase in compensation in the form of a bonus up to the limits imposed upon bonuses by the compensation plan ordinance and these regulations. However, if provided for within the annual compensation plan ordinance, such an employee may receive a salary increase above their pay grade's maximum salary to allow them to receive the entire general wage increase authorized by Council for this fiscal year. Within this limit, the City Manager may take such action without seeking the Council's authorization through an amendment of this compensation plan so as adjust the pay ranges or steps attached by Council to any position title within this compensation plan. But for this one exception, any increase that would cause the salary of an employee covered by this Compensation Plan to exceed the maximums set by the Council must be approved by the Council by ordinance.

(2) These regulations and associated Charter provisions and ordinances, codified and uncodified, apply to all employees of the City of Norfolk. No officer or employee of the City shall have the authority by reference, omission, or error to change the content and administration of the City of Norfolk Compensation Plan.

(3) The City Attorney has at least the same authority and discretion as the City Manager for classifications that fall under the Department of Law. In some cases, the City Attorney's authority is separately addressed in provisions of the compensation plan ordinance.

Section 2. Classification Updates

(1) Deletions - The elimination of a classification is due primarily to efficiency and effectiveness. Affected employees shall be governed by the reduction-in-force provisions.

(2) Additions – The City Manager in concert with the Director of Human Resources is authorized to create classifications during the fiscal year, as determined by emergency operational needs, to the extent authorized by Section 2.1-7 (d) of the Norfolk City Code, 1979, as amended. The titles of such new classifications must have a pay grade attached to them by Council by ordinance amending this Compensation Plan prior to the payment of a salary to any incumbent.

Section 3. Constitutional and State Board Appointed Employees

The City's Compensation Plan assigns pay grades to certain class titles applicable only to persons who are not employees of the City, but who are employed by other governmental officials or entities, including the Commonwealth of Virginia, such as the Director of Elections or any of the Commonwealth Constitutional Officers of the City. In addition, certain class titles listed in this Compensation Plan may be assigned not only to persons who are City employees, but also to certain other persons not employed by the City. Nothing in this Compensation Plan is intended to alter the employment status of persons employed by officials or entities other than the City of Norfolk and the inclusion of class titles applicable to such persons in this Plan shall not have that result. Although the pay grades, pay rates and regulations contained in this Plan may be used by governmental officials and entities other than the City, at their discretion, with respect to the compensation of their employees, no such application shall be deemed to render such persons City employees, or to grant them any rights applicable to City employees.

Section 4. Inclusiveness of Specified Compensation

The rates of compensation specified in these regulations and the other tables, appendices, and attachments to the Compensation Plan ordinance, for the positions within the classifications listed, constitute the total monetary compensation of the regular, full-time employees and officers holding such positions as members of the classified or unclassified service and of those holding them as members of neither service (e.g., special project employees).

In addition, to the extent funds are available, the City Manager, or the City Attorney in the case of members of the Law Department, may provide reimbursement to a successful applicant for employment of expenses up to a limit of five thousand dollars ($5,000), which must be authorized in advance, if they were incurred incidental to an applicant's employment. An expense incidental to employment is an expense incurred in successfully applying for a City job, such as the cost of an airline ticket to fly to Norfolk for an interview, or incurred after accepting a City job, such as moving expenses to move to Norfolk. Such reimbursements are contingent on the applicant being offered and accepting City employment and shall not be included in an employee's base wages or retirement benefit calculation.

Section 5. Definitions

"Administrative Pay Plan" - is designed for positions that provide essential office-based support to ensure the smooth operations of the organization. These roles typically involve administrative, clerical, financial, or operational tasks that facilitate the efficient management of internal processes, data, and communications.

"Classification" - A group of positions or other employments authorized by ordinance, e.g., special projects, which are sufficiently alike in duties and responsibilities that they are placed in the same classification specification by the Civil Service Commission or the Director or Human Resources pursuant to a delegation of authority from the Commission and Section 2.1-6 (b) of the Norfolk City Code, 1979, as amended, and described by the same title and assigned to the same pay grade in this Compensation Plan. In the case of positions exempted from the classified service, the term "classification" is used for convenience only, as the Civil Service Commission has no authority in relation to such positions.

"Classified" - All classes of positions that have certain rights and privileges and are governed by Charter Sections 110 through 125, certain provisions of the City Code, and the Rules of the Civil Service Commission.

"Discrete Salary Range" – a step pay plan or an open range pay plan where some grades in the plan have a unique range of salaries, from minimums to maximums, and no grade's range overlaps with the next. The highest salary of a lower grade is always below the lowest salary of the grade above it.

"Demotion" - When an employee is placed in a title where the minimum salary of the title's grade is less than the minimum salary of their current grade. A competitive demotion is when an employee applies and accepts a position competitively where the minimum salary of the new title's grade is less than the minimum salary of their current grade. Involuntary demotion is an employee requests to return to their most recent title in which the minimum salary of their prior grade is less than the minimum salary of their current grade.

"Employee" - As used in these regulations, includes employees and officers of the City whose compensation is specified in this Compensation Plan.

"Executive Pay Plan" - is designed for senior leadership positions responsible for setting strategic direction, making critical, high-impact decisions, and overseeing essential departments or organizational functions. These roles demand extensive leadership experience, deep industry knowledge, and a proven ability to manage executive-level responsibilities, including the development and execution of broad organizational policies.

"Exempt Employees" - Employees who are not covered by or are exempted from the minimum wage and overtime provisions of the Fair Labor Standards Act.

"FLSA" - The Fair Labor Standards Act.

"Non-exempt Employees" - Employees who are subject to the minimum wage and overtime provisions of the Fair Labor Standards Act.

"Pay Rate" - A specific dollar amount, expressed as either an annual or hourly rate as shown in the Compensation Plan schedules.

“Police Pay Plan” - is designed for sworn positions within the Police Department responsible for law enforcement, maintaining public order, and ensuring community safety. These roles require specialized expertise to effectively respond to a range of law enforcement situations, including patrolling, investigation, and emergency response.

These positions demand expertise, training, or credentials that go beyond standard job classifications and often involve specialized knowledge essential to the organization’s core operations.
